

TRIPLE CROWN BASEBALL

Covid 19 Recommended Guidelines

- 1.** We have reviewed all CDC Guidelines for latest recommendations on COVID-19 / Infectious disease, and we will review with staff, coaches, parents, vendors and umpires.
- 2.** Follow all State and Local Government sites for latest mandates including social distance, # allowed in groups. Limiting the spectators to immediate family members only.
- 3.** We will communicate via social media, our website and email with teams, staff, parks staff, regarding these guidelines for keeping all personnel / venue safe.
- 4.** Our plan for spectator distancing throughout the parks and we will limit the number of spectators per player to immediate family only.
- 5.** The plan for equipment use: all teams will be given 1 doz new, sealed baseballs at check-in to use throughout the weekend, awards are individually wrapped in plastic and will be handed out by coaches. Player equipment, dugouts and bleachers will be sanitized by teams after use.
- 6.** We have ordered banners to post signage for maintaining safe practices/distancing
- 7.** We will discuss with park staff on the best place for warm up areas, and will advise teams there is no gathering in parking lots, around fields, etc.
- 8.** Game scheduling maintenance to limit the amount of teams waiting for next games; teams will go directly to their designated warm up areas.
- 9.** Require teams to bring their own sanitizers/disinfectants and to clean dugouts/bleachers after each game is completed. We will require teams to bring their own first aid kits and ice packs and water. We will not permit seeds or any spitting of any kind. Players need to bring their own individual water or sport bottle. Water coolers in the dugout will not be permitted.
- 10.** Umpire safety-expand coin toss area, conferences, no handshakes, etc. Umpire temperature checks
- 11.** Vendor plan. Any vendors will need to adhere to these standards.
- 12.** All Dogs must be on a leash and avoid contact with anyone other than the owner
- 13.** We will encourage spectators to bring their own chairs to watch games and follow our safe social distancing guidelines. We will encourage them to bring their own personal sanitizer/cleaning supplies but will have available throughout the park
- 14.** If anyone shows any signs of symptoms, feels sick, they should not be permitted to come into the park.
- 15.** The penalty for anyone not adhering by the guidelines will be asked to leave.
- 16.** Lastly, we ask that teams and spectators leave park once their games have concluded.
